

WERE YOU LOOKING?

- The speed limit is not a speed target. SLOW DOWN.
- Stop behind the stop line at all intersections. Always.
- Kids crossing the street? Remain stopped. Be PATIENT.
- Neighborhood without sidewalks? Drive as if you are ON a sidewalk.
- You are an adult.
You must drive within the law.
Your driver's license is a privilege.
The onus of safety is on you, not children.

Motor vehicles are the second leading cause* of youth deaths.
It is up to YOU to make Halloween safe.

* Ages 5-14 as of January 2022 - source, World Health Organization (WHO):
